**Presents: Illumination!**

Sarasota, FL, September 16, 2018. Chillounge Night, the producer of the ultimate outdoor lounge party presents Illumination. The 11th Annual St. Petersburg event on Saturday, November 17, 2018 will feature Banyan Reserve Vodka, crafted by the fine artisans of our Title Sponsor, St. Petersburg Distillery. A very special thanks also goes out to our Presenting Sponsor, Lamborghini Sarasota, Florida Gulf Coast's only authorized Lamborghini franchise.

Come join us as St. Pete's N. Straub park transforms into a magical wonderland of "glow".

Feel the magic as N. Straub Park radiates into a beautiful playground of color! Enjoy a mix of our traditional Chillounge Night flair interwoven with our new LED furniture line and several LED art installations.

The evening's entertainment will also bring the theme of "glow" to life. The entertainment will shine with live band performances by Kafkasso and Smooth D and the Boyz, watch as an animated "LED Robot" comes alive on stage, be mesmerized by our mystical fire dance performer Tuni, see our famous Cleopatra fashion daybed parade and finally enjoy Phoebe's Samba team in their special LED feather costumes.

The benefitting charity will be Creative Clay.

Admission to the elegant outdoor lounge party is \$35 per person at the door. Advance tickets are on sale for \$25 and available at [www.chilloungenight.com](http://www.chilloungenight.com). A limited number of VIP tickets, which include complimentary food and beverages are available. The Gold & Diamond Source VIP Lounge is an exclusive roped-off section, and tickets are available for \$120. Parkshore Grill and 400 Beach Seafood & Tap House will provide al fresco dining in the VIP area offering signature items cooked on-site. They will also offer a wonderful selection of food for sale to the general public throughout the night.

Sarasota resident and former gallery owner Rainer Scheer is the creator of the upscale event. Since its creation in 2008, Chillounge Night has expanded to additional cities throughout Florida including Tampa, Sarasota, Fort Lauderdale and Orlando. The first license was sold last year to Buffalo, NY. Over 120,000 people have attended the popular events and more than \$125,000 was raised to local charities.

"I am always looking to create a magical evening that is unique, elegant and stylish", says Scheer. "The Illumination concept will elevate this evening into a night everyone will remember."
